

INTRODUCING BEACH PLACE'S LENDING LIBRARY

The Lending Library is a new service designed to empower residents with the tools they need to build, decorate, and maintain a comfortable home.

When you have a moment, head over to the leasing office and browse the inventory.

GET INVOLVED

Every resident at Beach Place over the age of 18 is welcome to use the Lending Library. Residents are required to sign-out any essential tools in the Lending Log.

Inside the Lending Log, you'll find the full inventory of tools, a glossary of items, DIY Ideas, and step-by-step How-To's for everyday home projects.

Please be courteous to your neighbor and return the items borrowed.
